

Prevention Plus™ Program

Prevention Plus™ is an exclusive Sun Pirate Program for energy system maintenance. In order to ensure safe and reliable energy system operation, seasonal inspections by a professionally trained Sun Pirate technician will be performed on the below mentioned equipment at the stated intervals. Annual charge for this program is \$199.00

Sun Pirate will pre-schedule the date of the 15 Pt. Inspection. Customers will also be eligible for special product discounts and priority service and repair dispatching.

Policy Information

1. Sun Pirate will endeavor to render prompt and efficient service here under, but it is expressly agreed that Sun Pirate shall in no event be liable for damage or loss arising out of this agreement.
2. Sun Pirate reserves the right to reject any agreement if on inspection by our service technician the equipment is found to be in such a condition that service will be unsatisfactory to either party.
3. It is mutually agreed that this agreement covers only electrically operated controls and externally attached safety valves or meters and does not cover the labor for electric, plumbing or balancing beyond the units or any work required because of negligence, misuse of equipment or because of fire, flood, acts of God, shortage of electrical or water supply, sabotage, or damage caused by freezing unless specified in writing.
4. Whenever replacement parts or labor charges not covered by this agreement are required, Sun Pirate shall notify the customer of the estimated additional charges.
5. No Service will be rendered under this agreement if the customer has a past due account.
6. Automatic Renewal: This agreement will be automatically renewed. You will be billed annually at the beginning of the year. If you do not wish to continue service, you must cancel this agreement prior to the start of the next contract year.
